Declaration of the Person undergoing Prenatal Diagnostic Test / Procedure

I, Ms. / Mrs. **Beena** declare that by undergoing Prenatal Diagnostic Test / Procedure. I do not want to know the sex of my foetus.

Signature / Thumb impression of the person undergoing Prenatal Diagnostic Test / Procedure:

Note: At times some fetal anomalies may not be visible due to constantly changing position of the fetus, gestational age of the fetus, maternal abdominal wall thickness and overlapping of various fetal parts. Therefore, all fetal anomalies may not necessarily be detected in a single examination.

Declaration

I have neither detected nor disclosed the sex of her fetus to anybody in any manner.
